b) Policy 8013: The intention was to support students in their knowledge of choice options. We discussed including language about "rising 6th graders" and "rising 9th graders" so that all students in Red Clay would have access to information at the building level.

c) Policy 9004: reviewed the drafted language and made edits. (remove hybrid, formatting of bullets) Conversation around other areas of 9004 that were not drafted yet also took place. Revised committee membership, added recruitment and publication of community committee membership opportunities.
