

FIRST GRADE

Subject	Objectives	Resources
Bible	• Discover God as the Creator and the only true and Almighty God. • Recognize God is the Father, the Son, and the Holy Spirit; God is Truth and always tells us what is right and true. • Apply important character traits of obedience, reverence, loyalty and gratitude. • Focus on God's Word, by delving into the Book of Genesis, the story of creation and Bible characters of Noah, Abraham, Isaac, Jacob, and Joseph.	Summit Ministries Building on the Rock Grade 1
Language Arts	• Build basic grammar skills. • Practice reading behaviors. • Make connections between print and meaning, symbols and sounds. • Identify and extend patterns found in written and spoken language. • Construct meaning from, and respond to, oral communication and reading selections. • Express ideas and opinions to others through speaking, emergent writing, and drawing.	Saxon Phonics & Spelling Harcourt Trophies Grade 1 Thematic Units A Reason For Handwriting- Level A IXL Learning A-Z
Mathematics	• Understand numbers up to 120; place value (tens, ones). • Add and subtract within 10; then within 20; then up to larger two-digit numbers. • Shapes and patterns: both flat (2-D) and solid (3-D) shapes; use shapes in patterns. • Measurement: length, weight; comparing, ordering, using units • Graphs and Data: simple graphs, picture/bar graphs; introduction to money. • Time and calendar concepts	Math in Focus (Singapore Math)
Science	• Explore the world of science: physical, life, earth and space. • Develop research and inquiry skills through engaging activities. • Identify the existence of science in the world and its connection to scripture.	Thematic Units

FIRST GRADE

Subject	Objectives	Resources
Social Studies	• Build on skills and core concepts introduced in kindergarten. • Locate places on a map and globe, understand compass directions, and construct maps. • Learn economic ideas on money, resources, goods and services, and consumption. • Broaden historical perspective through comparisons of family, transportation, communication, and holidays around the world.	Thematic Units

In Addition to the six core subjects, First Graders attend special's classes once/twice a week on a four-day rotation.
