- 2 Packs of Pencils (not mechanical) (2 packs)
- 1 pack of colored pencils
- 1 pack of markers
- 1 pack of cap erasers

Reminder:

State law requires all students entering the 7th grade, and new enrollees to Tennessee Schools to have had proper immunizations. Below is a list that all 7th graders are required to have before starting the school year. If your child has received these immunizations, please provide the school with a current copy of the official immunization certificate that is signed by a health official. If your child has not received the proper immunizations, this needs to be taken care before your child returns to school in August. Your primary care physician or the Crockett County Health Department can assist you with the immunizations and will provide you with a copy of their updated records that need to be returned to the school.

• Tetanus-diphtheria-pertussis booster (TDAP): evidence of one Tdap dose given before 7th grade entry is required regardless of Td history (2015 update)

If you have questions concerning this matter, please contact the school.

Respectfully,
Misty Bailey
School Health Supervisor
