

SY25-26 School Resource Officer/Memorandum of Understanding (SRO/MOU) Quarterly Reports, May 2026 Report

Overview

Quarterly meetings between Alexandria City Public Schools (ACPS) and the Alexandria Police Department (APD) are required as part of the SLEP Memorandum of Understanding (June 2023). Meetings occur in August, November, February, and May. This report covers February, March, and April 2026. The next quarterly meeting is scheduled for August 2026. After each quarterly meeting, a subsequent report is to be completed and shared to provide updates on:

- **Section I: VDOE Annual Discipline, Crime and Violence Report.** As noted in the June 2021 SRO Quarterly Update, the annual VDOE Discipline, Crime and Violence report has been replaced by the VDOE Student Behavior Administrative Response (SBAR) report. SBAR incidents are recorded through the end of the school year. Public availability to annual reports is made by VDOE. If there are any questions on this item, please contact the Department of Student Services and Equity.
- **Section II: Police Statistical Reports.** This information is in relation to the Calls for Service form; more details on this item noted later in this document.
- **Section III: VDOE School Climate Survey.** This information is in relation to the required Code of Virginia School Safety Survey that is completed annually.
- **Section IV: School Resource Officer (SRO) Performance Items.** This information includes SRO attendance and incident reporting.
- **Section V: Educational Activities with Students:** This information includes any educational offerings by SRO's for students.

For context, the schools where SRO's are assigned are:

- Alexandria City High School – King Street Campus (2)
- Alexandria City High School – Minnie Howard Campus (2)
- Francis C. Hammond Middle School (1)
- George Washington Middle School (1)

Section I: VDOE Annual Discipline, Crime and Violence Report:

Please see the update note above.

Section II: Police Statistical Reports

During this reporting period of the school year, 33 Calls for Service (CFS) Reports were completed for those schools assigned SROs. The breakdown below will provide this data by month, by school (with SRO assignments) and by officer type (in relation to who responded to the call for service).

Note: A call for service does not always result in law enforcement action, but could also result in multiple arrests or referrals.

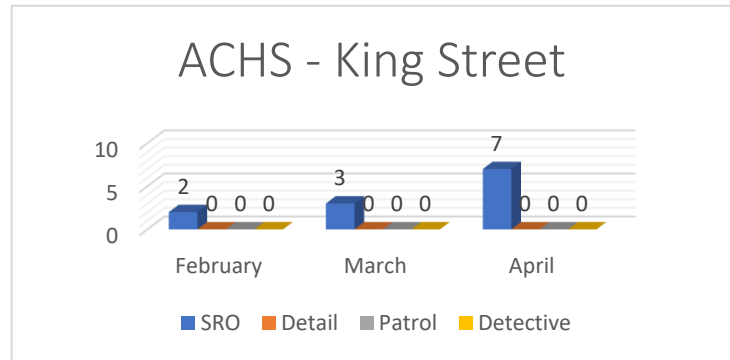

SY25-26 School Resource Officer/Memorandum of Understanding (SRO/MOU) Quarterly Reports, May 2026 Report

Arrests/Referrals by Officer Type

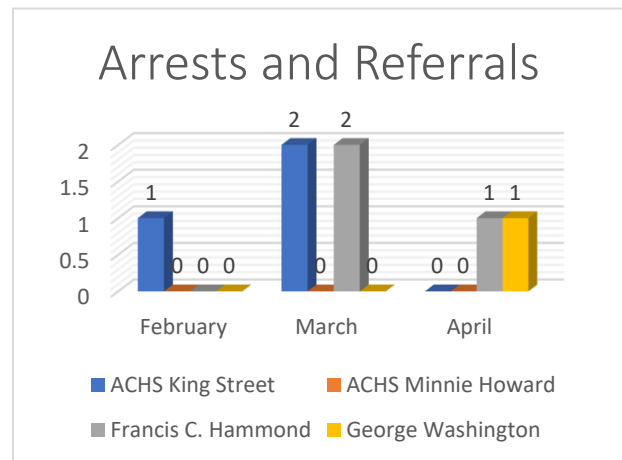

There was a total of 7 referrals (0 arrests) made during this quarterly reporting period for school year 2025-2026. The below chart breaks out arrests/referrals by month and officer type:

Note: The term “Referral” has been added to the arrest data lexicon. This change in lexicon is due to APD’s alignment with the Department of Criminal Justice Services (DCJS) letter dated March 20, 2023. This letter describes the categories used in legislation aimed at collecting data on School Resource Officers and their actions with students (Use of Force, Physical Restraint, Detention, Arrest, and Referrals to Court Services).

FEB: 0 Arrests / 1 Referral (SRO – 1)

MAR: 0 Arrest/4 Referrals (SRO – 4)

APR: 0 Arrests/2 Referrals (SRO – 2)

Section III: VDOE Virginia School Survey of Climate and Working Conditions

The last survey was administered to grades 6 through 8, from January 2025 through March 2025. This annual survey is a component of the school safety audit, which school divisions are required to submit to the Virginia Center for School and Campus Safety, according to § 22.1-279.8.B of the Code of Virginia. This survey, conducted jointly by the Virginia Department of Education (VDOE) and the Virginia Department of Criminal Justice Services (DCJS) is available on the Safety & Security Services website “[School Climate Survey Reports](#)” tab.

Section IV: School Resource Officer (SRO) Performance Items

SRO Attendance:

Officer Name	School Assigned	School Days	Days Present	Attendance %
Addai	ACHS – KS	54	50	92.5
