Rebuild & Enlarge Kamiakin Middle School

Join us for an open house on **Thursday, June 4** from **5-6 p.m.** in the commons at Kamiakin Middle School. Learn more about the school design, project schedule and meet members of the project team!

The Rebuild & Enlarge of Kamiakin Middle School is funded by the 2024 Building Excellence Capital Construction Levy.

Construction will begin in spring 2027

This project creates permanent space for an additional 330 students, bringing the total permanent capacity to 900. The project to rebuild and enlarge Kamiakin Middle School will provide modern, state-of-the-art learning environments for our students and educators. The new building will open in fall 2029.
