WILMINGTON PUBLIC SCHOOLS

Jon Mattleman, a mental
health counselor and trainer
with 30 years' experience
working with youth, parents,
and families, has presented
in communities statewide.
His dynamic presentations
give participants constructive
tools for communicating,
problem solving, and
working with adolescents.

Do you wonder:

- What teens/tweens are really thinking?
- Why they don't share their fears (or anything) with us?
- How we can productively support them?

Participants will leave with:

- New ways of understanding and engaging with teens/tweens
- Strategies you can implement immediately
- More confidence, courage, and patience

This Project is funded through
CHNA 15 DoN funds
from Lahey Hospital and Medical Center.

Event is free and open to the public.
Adults only please. Childcare will be available.
