District Per Pupil Expenditure: \$18,815.21 per pupil
Building Budget for this school: \$109,931

School Description

Louisa May Alcott said, "Educate yourself to take part in the world's work..." At Alcott Elementary, we strive to prepare and challenge our students for tomorrow. Our mission aligns with the Lake Washington School District: Every student future ready; prepared for college, prepared for the global workplace, and prepared for personal success. At Alcott we C.A.R.E., which stands for **Cooperation**, Responsibility for our **Actions**, **Respect** through kindness and compassion and **Effort** every day. This represents the way that both staff and students support and interact with one another Every Day.

We are part of a supportive community and PTSA. Family support is such a gift to our school, and we know this has a positive impact on student learning. Diversity is celebrated in our school community. We are proud of the way in which differences and similarities encourage relevant and authentic learning for everyone. We care about our world, our community, our school, and our children.

2024-25 District Expenditures

Where does the money go?

2024-25 School Goals

Targeted progress monitoring areas are selected collaboratively based upon data and connect with student growth goals. In addition, our student services team meets three times throughout the year with grade level teams to share practices and strategies specific to student needs. Along with academics, we believe that fitness and arts, regular attendance, and social/emotional health are key factors for success.

- **Social/Emotional Regulation:** Monitoring primary SEL work as part of our 3-year implementation plan: 75% of third grade students will respond favorably in the category of emotional regulation on the 2025 Spring Panorama Survey.
- **Social/Emotional Regulation:** 75% of fifth grade students will respond favorably in the category of emotional regulation on the 2025 Spring Panorama survey.
- **English Language Arts/Literacy:** 80% of students receiving multilingual learner services in grades 2-5 will score in the Low or Minimal Risk on the Spring 2025 FastBridge "Reading Assessment".

State Assessment Results

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Construction will begin on a newly rebuilt and enlarged Alcott Elementary in Spring 2026.

Invitation to Participate

We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.
