

Welcome to 6th grade Art!

I look forward to meeting new faces next year!

Expect art to be a fun part of your day with lots of free art choices options to choose from in class! I will expect responsibility and respect in my classroom but come expecting creativity and fun!

The bold print items below are things needed to bring for Art. Links are provided on some things to help you. I'll provide the pencils, paper, glue, scissors and SOO many other things we use to create in class!

6 qt Clear Storage Bin (like the link below or go to Walmart for this)

Important: You may bring a USED one from home **BUT PLEASE DO NOT** bring a larger one than this 6 quart size. I stack them and have limited room since I teach 6-12th graders!

ANY Colored Pencil Set AND a Marker Set of YOUR CHOICE!

* Don't feel like you have to buy new if you have any in good condition. If you want recommendations for a better brand... I like Arteza markers and Prismacolor brand colored pencils!

One package of Baby Wipes OR box of Kleenex

I look forward to meeting you! If you have questions, please reach out!
