School Description

We are proud of the programs and opportunities we have at Redmond Middle School for students. We have a robust ASB and leadership program that is committed to increasing student voice and participation throughout our school. We offer electives in STEM, Art, Culinary Art, and Music. Our high-quality music program for Band, Orchestra and Choir gives students an opportunity to compete as well as perform. We have high participation in all our sports programs, and each year we have numerous club offerings completely driven by student interest.

We have Grizzly Time, a homeroom that helps all students feel connected and valued, as well as interventions during the school day for students that need extra time or support to meet our high expectations. Our parent support through PTSA is excellent and responsive to all our needs. Finally, we have a caring and hard-working staff committed to helping students achieve academic and personal success.

2024-25 School Goals

Mathematics (Grade 6):

Increase the number of students at "low" or "minimal" risk in FastBridge.

English Language Arts (Grade 7):

Reduce by half the number of students at each grade level that are at either "Some risk" or "High risk" categories according to FastBridge.

Discipline (Grades 6-8):

Lower the percentage of students suspended multiple times in a year.

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Invitation to Participate

Community Engagement is one of Lake Washington School District's strategic plan goals. We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.
