Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. *California Education Code (EC) Section 56048*

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

- Describe the SELPA's allocation plan, including the process or procedure for allocating special education apportionments, including funds allocated to the RLA/AU/responsible person pursuant to *EC* Section 56205(b)(1)(A).

A large portion of the AB 602 revenue is allocated based on ADA (80% of revenue) and Special Ed pupil count (20% of revenue). A portion of Out of Home Care is allocated based on actual expenses, to reimburse member LEAs for students residing in foster homes and Licensed Children's Institute. A portion of the Low Incidence revenue is used to reimburse member LEAs for purchases of equipment & materials. The remaining revenue is allocated based on Low Incidence pupil count. Regionalized operations and services are provided by the AU as well as other member LEAs. SELPA member LEAs use a portion of their Apportionment to fund the SELPA Regionalized Operations Budget, a portion of which is transferred to the member LEAs who have assumed responsibilities to provide regionalized services under the local plan.

IDEA federal grants are allocated based on prior year's Special Ed pupil counts consistent with each grant's method of allocation to the grantees. A portion of the Local Assistance Entitlement and Preschool Grant is set aside at the SELPA level to provide consultation services to private schools

within the SELPA's geographic boundaries. The Part C Early Education funding is allocated to the two districts serving the infants within the SELPA.

b. ☒ YES ☐ NO

If the allocation plan specifies that funds will be apportioned to the RLA/AU/AE, or to the SELPA administrator (for single LEA SELPAs), the administrator of the SELPA, upon receipt, distributes the funds in accordance with the method adopted pursuant to *EC* Section 56195.7(i). This allocation plan was approved according to the SELPA's local policymaking process and is consistent with SELPA's summarized policy statement identified in Local Plan Section B: Governance and Administration item B-4. If the response is "NO," then either Section D should be edited, or Section B must be amended according to the SELPA's adopted policy making process, and resubmitted to the COE and CDE for approval.

TABLE 5

Supplemental Aids and Services and Students with Low Incidence Disabilities (D-12 to D-15)

The standardized account code structure (SACS), goal 5760 is defined as "Special Education, Ages 5–22." Students with a low incidence (LI) disability are classified severely disabled. The LEA may elect to have locally defined goals to separate low-incidence disabilities from other severe disabilities to identify these costs locally.

D-12. Defined Goals for Students with LI Disabilities

Does the SELPA, including all LEAs participating in the SELPA, use locally defined goals to separate low-incidence disabilities from other severe disabilities?

☐ YES ☒ NO

If "No," describe how the SELPA identifies expenditures for low-incidence disabilities as required by *EC* Section 56205(b)(1)(D)?

When the SACS goal code was changed to consolidate the Severely Disabled with Nonseverely Disabled into one goal, LEAs were not required, although may use locally defined goals to separate costs related to low incidence disabilities from other severe disabilities. With the coding change, some LEAs no longer track costs between severe and nonsevere disabilities. In addition, LEAs do not code low incidence disabilities to a specific Goal. As such, for the purpose of the Annual Budget Plan, the Total Projected Expenditures for Students with LI Disabilities is limited to the anticipated revenue restricted for low incidence eligible pupils and is not reflective of all expenditures related to this disability group. This is true for the Total Projected Expenditures for SAS as well.
