Special Education Program Specialist

Join the **Freshwater Education District** team as a full-time Special Education Program Specialist for the 2026-2027 school year! We are looking for a dedicated and passionate professional to assist our staff with special education due process requests, programming, and district-wide initiatives.

As a Special Education Program Specialist, you will play a vital role in:

- Developing and implementing innovative programs and supports
- Ensuring compliance with special education laws and assisting with due process
- Providing training, coaching, and ongoing support to staff
- Promoting collaboration and effective communication across districts

This position requires Minnesota **Special Education licensure**. A Master’s degree and at least three years of teaching experience are preferred. We are offering a flexible 190 or 200-day contract, depending on assigned duties. The full-time salary range for this position is \$50,114 to \$83,055, depending on education and experience. A benefit package is also included.

If you are passionate about supporting educators, strengthening programs, and making a difference in the lives of students, we encourage you to apply!
