DISCIPLINE/Dismissal/Employment/Release/Assignment/Reassignment/Complaint

#353→III. Motion by Hepburn, seconded by Gutierrez to reconvene into open session at 7:18 p.m., unanimous.

IV. Action determined in closed session:

#354→A. Motion by Gutierrez, seconded by Hepburn to approve the Tort Claim for Accident Damages CC, unanimous.

V. Procedural Issues: A recording of this meeting was made and shall be kept for 30 days as a public record.

A. Pledge of Allegiance led by: Justin Armstrong

B. Roll Call - Members Present: Vincelette, Hepburn (arrived at 5:35 p.m.), Wright (went home at 9:00 p.m.), Rendon (arrived at 5:33 p.m.), Gutierrez, Student Board Member Finch Present

#355→C. Motion by Gutierrez, seconded by Wright to approve the agenda with the removal of Personnel Item Joao Miguel, unanimous, student vote: aye.

VI. Reports and Communications

A. Girls' Varsity Basketball Championship Recognition: Justin Armstrong showed the Three-Peat CIF championship award to the Board and showed pictures of the girls' basketball team.

B. Recognition Teacher of the Year: Leanne Hargus and school site principals presented Teacher of the Year awards to Michelle Hubkey (RES), Catherine Jones (WES), Jennifer Kurfess (ALT ED), Morgan Clint (TMS), and Andrew Hansen (RHECC).

C. RTA report: Edward Shevlin reported the following: We don't have much. We just agreed on our new contract. The Tentative Agreement is on the agenda tonight for approval. Congratulations to all the teachers, it is nice to have them all out here to be celebrated. CSEA report: Jeromy Azevedo reported the following: Congratulations to the girls' basketball team. We will be wrapping up negotiations this Friday, so hopefully we'll TA and possibly not on the next agenda, but the one after that.

D. Student Board Member: Aliyah Finch reported the following: Congratulations to the teachers and the girls' basketball team. We have prom this weekend, so very excited for that. The juniors are doing state testing this week and next week, and then sophomores will be after that. That's all I have for you guys.

VI. Reports and Communications (Continued)

- E. CBO Report: Robert Irving reported the following: I hope everyone has a safe and happy spring break. I have been busy with the finalization of negotiations, getting payroll side of things, so that we can get everything rolled out as quickly as possible. This is a busy weekend, there's a lot of things happening. We have active shooter training happening at Rosamond Elementary School on Saturday for employees, morning session and an afternoon session. Either go at eight o'clock in the morning or one in the afternoon. If you feel like sleeping in or enjoying a little bit of your Saturday before going to the color run. So, if you haven't signed up already, please do. It's beneficial training for everybody involved. Yeah, that's it for me. Thank you!
- F. Assistant Superintendent, Instruction and Curriculum: Dr. Larry Mendez reported the following: Welcome everyone that joins us in person and also online. Congratulations to the girls' basketball team, coaches and everyone that has been along the way. Also, congratulations to our Teachers of the Year. We had a district advisory council meeting yesterday, and then we've also been collaborating with the site administrators in regards to the school planning for student achievements. We will have more details, sitting on the school plans for student achievement SPSAs, we continue to do ongoing planning for summer school, the standards-based grading committee. Thank you to all the teachers, admin, Ms. Gaines and also Ken O'Connor that's been joining us in the standards-based grading committee. Thank you to the teachers that continue to collaborate on the math adoption at both the Elementary and Secondary schools. Thank you.
- G. Assistant Superintendent, Special Education, Pupil Personnel: Sheryl Taylor reported the following: Hello everyone. I also want to congratulate all the teachers of the year, great job, and the girls' basketball team for the third year in a row. Hopefully we'll have a fourth we'll see. On Saturday, we have our community care pop up event. I have some pictures up here so you can see all the wonderful things we had to give out. At the top left, we got a lot of infant clothing. We have the whole cabinet full of shoes and gloves and all kinds of things there at the bottom. We went around the entire room with racks of clothes arranged by sizes, and under those racks there's shoes most of the way around the room. There is more that's going around the back of the room, and then up the other side, racks of shoes. Up in the front, we had two wagons full of backpacks and stacks of school supplies. We have tables down the middle that had shorts, skirts, tank tops, T-shirts, tights for little girls, and all kinds of things. In the front there, we had those crates full of all kinds of makeup, hair supplies, and nails. Everything underneath all those tables, we have crates filled with backup supplies to refurbish. So, we had quite a selection. We were super excited about all the donations that we received, and so was the community. We had 56 families show up, approximately 150 students with those families. We gave out 3,067 items, the items varied from clothes, shoes, slippers, cosmetics, backpacks, and school supplies. I just want to thank some of the people that helped us to make this happen. For example, Velda did the coordinating of the donations, Robert and Rawley set up people to pick up those donations and get them to us, Jeromy and his staff, who did a phenomenal job cleaning out this room, because it was a storage room, like three days before this event, it was a disaster. So, thank you, Jeromy and your staff who fixed that up. The Hope Squad kiddos helped remove all the tags from all those clothes and organized the shoes, and all the volunteers that worked that day. So, with me, there was Velda and her daughter Amy, Shannon, her daughter Shelby, Dana, Emily from the parent center, and Megan Rodriguez. I want to acknowledge Justin Armstrong and his student, I hope I say this correctly, Liliveth Milian who created this beautiful poster for us to hang on the fence. So, I wanted to share because the student did a phenomenal job. She does this on her own. It was a very exciting day. People were super, super appreciative. We had some families who said that they moved here basically with nothing. So, because of this, now their kids will

VI. Reports and Communications (Continued)

Item G Continued:

all have what they need for school, and they asked if we will be continuing this, and they're praying that we do. It was a great event. Thank you, everybody who was involved. Oh, wait, this coming Saturday is Special Olympics. Everybody who's out there, we have Special Olympics this coming Saturday at the high school. If you don't want to go act getting shot at the active shooter training with Robert, you can come to Special Olympics at the Rosamond High School football field, Special Olympics on Saturday, all kinds of foods, games and awards. Okay, now I'm done.

- H. Associate Superintendent, Human Resources: Leanne Hargus reported the following: Good evening, everyone. Congratulations to the girls' basketball team for their third win. Hopefully we'll see a fourth. And congratulations to all of our teachers. This just happens to be my favorite part of the school year when we get to honor our staff, just an incredible, incredible group of teachers that receive these awards tonight. So, congratulations to each of them. At our next board meeting, we are going to get to honor our classified staff, so that would be something for us to look forward to. We are super busy. We have been doing some interviews. Last week, we did our counselor interviews, and then coming up tomorrow, we have a CTE interview, and then Tuesday and Wednesday, we're going to be interviewing for our open health position, a Spanish position, and sixth grade. We also have a PE opening at Tropico. Classified testing, Becky's going to be holding that tomorrow, because we are in desperate need of para educators. So, she'll be doing that testing tomorrow, and then hopefully we will be able to hold some interviews for those positions next Tuesday and Wednesday as well. As I mentioned earlier, some of our upcoming board meetings, on the 29th are going to be on our classified of the year. On May 6th, we'll be doing our years of service. On May 20th we will be honoring our retirees. So, kind of an exciting end school to the school year.
- I. Superintendent Report: Barbara Gaines reported the following: Good evening everyone, and thank you all for being here. I first want to say that every year, when each site turns in their teacher of the year nominee, and we have to decide, it is a very difficult process, because every year, the representative from each site is really worthy of being the district Teacher of the Year. So, I just want to congratulate them and thank them for the work they do every day, every day with our kids. It's, as you can see tonight, a very honorable group of men and women. I also want to say that the varsity, I kind of tease them, kind of a tease, but like to see a fourth, of course, but they're just phenomenal. And to it's a lot harder to win CIF. And we're, we're like now, acting like it's just something we can just say it's going to happen and it's going to happen, but it's very difficult to go all the way and win a CIF title and to do it three years in a row. I just want to congratulate Mr. Armstrong for, because he's very humble and pointing out his coaches and the people that work with him, but he's, he's at the top of that ladder, and he is the one that's organizing and making sure that the basketball team, you know, they have their regular practices, and their attendance is good, their grades are good. So, I just want to say to him, first and foremost, thank you for being such a great leader and coach of our varsity girls' basketball team. And I also want to say what an outstanding group of young women that have played on that team, some of them now three years. So yeah, could we do a fourth? Yeah, could happen, you know, and I want to say to Mr. Shevlin and the RTA negotiating team, we're done, and it was a pleasure. CSEA, you all heard Jeremy. I think it's on recording Jeremy wrap it up this Friday. It happened. Jeremy, so it's really even though we're negotiating, but we do have lunch together, and we do occasionally even laugh, or somebody will say something funny and we laugh. It's not like we're viciously staring across the table

VI. Reports and Communications (Continued)

Item I Continued:

each other. So, it's kind of a joy to participate in the negotiations. And finally, I want to say that we are in testing. My site administrators, please, let's not lose sight of that every day in your morning announcements, you know, tell the kids how important it is for them to really, really give their very best, because we know that they're quite capable, and sometimes it's just a matter of them not wanting to do it or being lazy. We really, really, really, need our kids to take their time and really, really put forth their very best effort on the test. So, yeah, I'll end with that. But I do have attendance awards. Yes, I do okay. To the board, you are going to be absolutely delighted to hear this news. Every school in the district in the month of March went up, yeah, when I saw this, I was like, oh, there's no negatives in front of anybody's number. That is so good. I'm going to start with the best elementary they went up 2.33% their attendance percentage for March was 94.59%, West Park Elementary. I don't know what I would do if Mr. Holmes, I don't know, he just seems to be doing it. And again, I want to say to my assistant principals at many of these sites, they are working this attendance. I know at RES, we've got Ms. Miller working, at Tropico, Mr. Konegni, and Mrs. Ament working at Westpark. I've actually heard them doing these phone calls to the parents. So, I know there's an effort being put out, and here, here are the great results. Best secondary, this school went up 0.44% with a 92.49% very close in the secondary Rosamond High School. It's about time I'm going to say that, congratulations. Most improved, the largest growth in the district. This one is this one is unbelievable, with a 9.46% improvement, was at 82.96%, Rare Earth High School. So, congratulations to all three. Keep up the good work.

- J. Board Member Communications:** *Justin Wright:* The basketball team was really impressive here, three peat. Teachers of the year, we have a lot of standing talent here in the district, and I see the growth in our students. *Sunni Hepburn:* Hey guys, congratulations the teachers are gone now, but well done to our basketball team, the three-peat I'm not going to put the pressure on them for fourth, but if they do fourth, what are we going to do? We have a party, district party. Okay, all right, I'll leave you guys alone. It's springtime now. The frost gates are over, so it's safe for you guys to begin planting things outside. Everyone can plant. I know Gary's planting things. Bob said he's planting things. *Adrienne Rendon:* So, like everyone else has said, congratulations to the girls' varsity basketball team. That was great. I would love to see the rest of the players, especially the seniors, but senior ditch day can't miss that. Congratulations to the teachers as well. Those apples were adorable. I really like them, so cute. Thank you, Ms. Taylor for sharing your photos that was amazing. I love seeing that and how we helped the community. You helped the community and everyone else that contributed to make that happen. That was great. I think that is it. Oh, look out for prom. They're going to prom. *Mario Gutierrez:* Congratulations to the girls' basketball team. I got to go and watch them play their playoff games. They were just amazing. They really played well together, and that's what the team really excels at. When they play together, they know each other's and know where they're at and what they're doing, and it showed. They won the championship, and they went right down to the wire to go to state. Congratulations to the teachers. It's great to be able to recognize them. They do such hard work all year long. It will be nice to see CSEA next week at our next meeting, and give them an award for that. I think that's it. *Robert Vincelette:* Okay, congratulations to all our board winning teachers. I know every teacher works hard and as well as all the employees do, so it's well appreciated. I didn't get a chance to do as many basketball games, but I did get to some of the basketball games this year. Justin Armstrong is an excellent coach, and I'm pretty sure he will continue on the way things are going. I'm looking forward to

VI. Reports and Communications (Continued)

Item J Continued:

Saturday, Sheryl, as long as somebody doesn't throw all those colors on me. Then we have the active shooter training. Two sessions, one in the afternoon, it will be at RES. The community has a lot of youth sports out there, and those youth sports feed our high school. I have Diane over here, who runs Rosamond youth sports program, and that's where a lot of our kids are coming from. She should be getting a lot of credit for doing this. She's been doing this longer than I can remember, but a lot of my kids went through that program. So, you know, make sure that we support all our youth programs, because they're the ones that feed us to the high school, and we're seeing a lot of the results of that. Thank you, Diane. Okay, and, oh yeah, Mr. Shevlin, and, well, guys, thanks for being reasonable with negotiations this year and understanding what's going on with the state and all that, it's well appreciated. Hopefully we'll continue to have that good relationship with you guys.

- K.** Sub-Committee Communications/Updates: *Justin Wright:* Westpark is coming along nicely. We're waiting on DSA and also the new locker rooms are almost done, and the new weight room and dance studio is hoping to be out of DSA for the summer so we can get on it.

Comments from the Public: Diana Tunnell, from Rosamond Youth Basketball, expressed her interest in buying or leasing land from the district. Mrs. Gaines responded that there is currently no land for sale or lease.

#356→VII. Motion by Wright, seconded by Hepburn to approve consent items A-K, except D, unanimous, student vote: aye.

#357→Motion by Wright, seconded by Hepburn to approve item D, 4 yeas, 1 abstain (Vincelette), student vote: aye.

- A.** Approved Minutes March 17, 2026
- B.** Ratified March EOM \$3,189,159.23, April MIDA \$526,934.52
- C.** Approved Purchase Orders 260783-260865, Pay Vouchers 260982-261074
