BCS Elementary Summer Math Packet
Second Grade for 2026-2027

This is your child's summer math packet. The material contained in this packet is a review from first grade. Please have your child complete this work over the summer. Feel free to assist if your child needs help. The math packet is due on the first day of school, Tuesday, August 11. It will count as a completion grade.

During the first two weeks of school, we will take grades on addition facts through 10s and subtraction facts through 10s. Please help your child review addition and subtraction facts over the summer. We highly recommend flashcards! Be sure to see the attachment on the email for Math Facts Summer Practice Materials for other recommended resources to help your child.

Thank you,
Second Grade Teachers
