

St. Charles Parish Brick Project

St. Charles Parish has embarked on this fund-raising project for the long-term capital needs of our parish community.

The engraved bricks will be placed near the St. Charles Garden. They can be for any occasion - honor someone, in memory of a loved one, gift for a wedding, anniversary, birthday, Christmas or a special event or a milestone.

By purchasing one or more bricks, you will be investing in the future of St. Charles and leave a lasting legacy with your words, Set in Stone! Thank you for your generosity.
