Congratulations to our third-grade students for their outstanding performance at last night's recorder concert! We would also like to extend a special shout out and congratulations to all of our band and chorus students for delivering an excellent performance.

A special thank you goes to Mrs. Sordillo for her hard work, dedication, and commitment to preparing our students for such a successful evening. We are incredibly proud of all of our student musicians and grateful to everyone who helped make the concert such a wonderful event. Well done to everyone involved!

For anyone that missed the spectacular performances HCAM captured the evening!

With the warmer spring/summer weather here, we want to remind all students and parents/guardians of a few safety reminders:

- Students who walk to school should listen to the crossing guards carefully and only cross when they wave and tell them to do so.
- Students should not arrive before 8:30am. Supervision is not provided before this time, and students will not be allowed inside the building.
- Bicycles may be ridden to school. Each bicycle must have its own lock and must be locked in the bicycle rack. Helmets are required for all students.
