Campus Banner Processional

Prior to the graduates' entrance into the arena, the principal and one student from each of CHISD's campuses will carry in a banner featuring their campus' name. This new tradition has a dual purpose. First, to provide a visual reminder for our scholars and families of their journey from kindergarten - now. And second, to allow the carriers of the banner a glimpse at what they are working towards.

The students carrying the banners this year are a part of Superintendent Dr. Gamell's inaugural Student Voice Committee.
