Goal 1: Increase the number of students career and college-ready and A through G eligible with a focus on our subgroups of African American students, Pacific Islander students, Hispanic/ Latino students, students with special needs, and EL/RFEP students.

Goal 2: Increase the performance of Long Term English Learner (LTEL) students with a focus on our Hispanic subgroup. Our main targets will be GPA, credits earned, A through G completion, graduation rate, CAASPP exam data.

Goal 3: Increase the performance of students identified as SPED with a focus on those students in mainstream, co-taught classes. Our main targets for the increase are in general education content classes, credits earned, A-G completion, and graduation rate.

Goal 4: Increase overall student engagement, well-being, and engagement in school as measured by annual student and parent surveys on school climate, school engagement, and school belonging.
