

THE FALCON FLYER

News and Highlights – Week 36: 5/25/2026

Principal's Notes:

Hello Figarden Families,

Happy Saturday Figarden Families! I hope you are all enjoying the Memorial Day weekend. I hope you all have a safe and relaxing weekend as we take time to honor those military personnel and their families who have served and sacrificed for our country.

State testing continues this week for fifth and sixth grade students in Math. Testing begins promptly at 8:30 a.m., so it is important that students arrive on time. Late arrivals and students who are absent will need to complete make-up testing. Please remember that cell phones, smart watches, iPads, AirPods, and wireless headphones are not permitted during testing. Any devices brought to school will be turned off and secured by the teacher.

Instruction continues for the next 13 days with Grades TK-6 ramping up to the next grade level, which means students will be focused on solidifying skills in both ELA and Math that will help them be successful as they enter their new grade level next year. Please encourage students to continue working hard.

Congratulations to the Girls' Softball Team who made it to the District Tournament which will be played at Figarden on Wednesday, May 27th.

The season of celebration will be continuing with Bullard High School Senior Grad Walks on June 5th and graduation on June 9th. Figarden will begin all of our End of Year Awards Assemblies and Activities June 4th through June 11th.

Way to go Falcons! We are so immensely proud of how hard you have worked this year to *Achieve Your Greatest Potential*.
