PART 1. GENERAL EXPECTATIONS

Santa Fe ISD agrees to implement the following statutory requirements:

Santa FE ISD will put into operation programs, activities, and procedures for the involvement of parents in all of its campuses with Title I, Part A programs, consistent with ESSA Section 1116. Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children. Santa Fe ISD will work with all campuses to ensure that the required school-level parent engagement policies meet the requirements of the ESEA, and each include, as a component, a school-parent compact. Santa Fe ISD will incorporate this district wide parent engagement policy into its District & Campus Improvement Plans. In carrying out the Title I, Part A parent engagement requirements, to the extent practicable, Santa Fe ISD will provide opportunities for the participation of parents including providing information and school reports in an understandable and uniform format and, to the extent practicable, in a language parents understand.

If parents of Santa Fe ISD are not satisfied with the campus and district improvement plans, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education. Santa FE ISD will involve the parents of children served in Title 1, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools.
