

Welcome to fourth grade! This year will be filled with many exciting learning experiences for your child. We are anticipating a wonderful school year. Please take the time to review the grade level behavior policy, homework policy, and supply list to ensure a smooth and productive start to our school year.

We know you are as excited as we are to begin a new school year. We appreciate your enthusiasm and support. We are all looking forward to a rewarding year in fourth grade with your child!

Meet & Greet- TBA

First Day of School–August 3rd
Doors open at 7:00am
Tardy Bell rings at 7:35

Welcome
to
4th Grade

Clark Creek Elementary STEM Academy

770-721-5800

<http://cherokee12.net/clarkcreekes>

School Hours

School doors open for students at 7:00, with classes beginning at 7:35. Students dismiss at 2:15. Students arriving at 7:35 or later are tardy. Please be sure your child is on time each day. When a child is tardy or checks out early, he/she misses valuable instructional time. If a student is checked out before 11:00 A.M., he/she will be marked absent for that day.

Communication & Curriculum

Communication between school and home is very important! You can count on a weekly email, updates in your child's agenda, and current grades in Canvas to keep you informed.

Behavior Policy

The fourth-grade teachers believe in a fair, firm, and consistent discipline plan. The students will have consequences for misbehaving and will receive praise for following expectations. Support from parents will contribute to the creation of a safe and productive learning environment. All students are expected to follow the SOARING RedHawk Expectations listed below.

Show your greatness

Offer kindness

Aim for success

Respect yourself & others

Include all

Never give up

Growth through change

The fourth-grade behavior plan will be discussed with your child on the first day of school. It will also be sent home with the first day forms, so you can review it with your child.

Summer Practice

You can help your child over the summer by making sure they know their multiplication facts. They are expected to have their basic facts (1-10) memorized when they begin 4th grade. You can also make sure that your child reads as much as possible over the summer!

Thanks for your support!

Agendas

Students in 4th grade will be required to write in their agendas daily. Please look at your student's agenda each evening so you are aware of what we are learning.

Snack

There will be a daily snack time provided for the students. We encourage bringing a healthy snack. Water is the only drink that is allowed during snack time.

Homework

Homework will be given Monday through Thursday. Students will be given work to reinforce current/previous content.
