READING

All Charlotte Christian students are strongly encouraged to read over the summer! Below are some resources and suggestions for you.

Reading Comprehension:

Complete the remaining stories in the Reading for Comprehension workbook for extra practice. Parent Resources: For additional ways to reinforce comprehension with your child please refer to the attachment - [Comprehension Strategies for Third Grade](#).

Lost on the Road to Nowhere by Scott Fowler-
Required reading for rising fourth graders.

WRITING

Keep a journal throughout the summer. Write about the trips you go on and the fun adventures you have. Check all your written work using COPS.

MATH

- [Third Grade Math Extra Practice Book](#)

For additional practice, you can have your child complete the review sections in their math workbooks. These were sent home with your child. For additional practice you can purchase a math extra practice workbook on Amazon. This workbook is extra practice and extension from our math series.

- Math fact fluency is an essential skill for rising fourth graders. Practice your multiplication and division facts to keep them sharp. Continue to use [Reflex Math](#) this summer through June. (Students have login information.)
- Complete some of the remaining model drawing problems in your binder for extra practice.
- Keep your math skills sharp using our daily [CCS summer math calendar](#)
- Keep up with the time with your own analog watch! When someone asks you what time it is, you will know! Parents, when discussing the time with your child, also discuss “elapsed time.” Ask questions like “If the movie begins at 3:30 p.m. and lasts two hours, what time will it be over?” or “How long were we at the park today?”
