

Learn how the Missouri SuN Bucks program can help you!

How does Missouri SuN Bucks work?

Missouri SuN Bucks is a program to help families buy food for their school-aged children during the summer. Families will get a one-time \$120 benefit per qualifying child loaded onto an EBT card that can be used to buy nutritious foods at authorized locations. Eligible children can also participate in other summer meal programs, and receiving Missouri SuN Bucks has no effect on immigration status.

Is my child eligible for Missouri SuN Bucks?

Your child may be automatically eligible for Missouri SuN Bucks if:

- Your child is age 7-17 and already participates in SNAP & Temporary Assistance, or
- Your child is age 7-17 and has active Medicaid coverage and lives in a household with income at 185% or below the federal poverty level, or
- Your child is age 7-17 and is in foster care, homeless, or a migrant, or
- Your child is enrolled in school and has an approved application for free or reduced price school meals.

How do I apply for Missouri SuN Bucks?

If your household already participates in SNAP or Temporary Assistance your child will be automatically enrolled in the Missouri SuN Bucks program. You do not need to fill out an application. You will get an EBT card in the mail, or the money will be added to your existing EBT card. Watch for the card in the mail or the added benefits on your card.

If you believe your children are eligible, visit mydss.mo.gov/SuNBucks to check eligibility and apply.
