**Minneapolis Public Schools  
Special District No. 1  
Notes to the Schedule of Expenditures of Federal Awards**

**NOTE 1 - BASIS OF PRESENTATION**

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the District under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the District, it is not intended to and does not present the financial position, changes of net assets, or cash flows of the District.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**NOTE 3 - PASS-THROUGH GRANT NUMBERS**

All pass-through entities listed above use the same Assistance Listing numbers as the federal grantors to identify these grants and have not assigned any additional identifying numbers.

**NOTE 4 - NONMONETARY ASSISTANCE**

Nonmonetary assistance is reported in this schedule at the fair market value of commodities received and disbursed for the USDA Commodities Program (Assistance Listing #10.555).

**NOTE 5 - INDIRECT COST RATE**

The District did not elect to use the 10 percent de minimis indirect cost rate, as allowed under the Uniform Guidance.

**Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit  
of Basic Financial Statements Performed in Accordance  
with *Government Auditing Standards***

**Independent Auditor's Report**

To the School Board  
Minneapolis Public Schools  
Special District No. 1  
Minneapolis, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the basic financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Minneapolis Public Schools, Minneapolis, Minnesota, as of and for the year ended June 30, 2025, and the related notes to basic financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated March 27, 2026.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the basic financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings and Questioned Costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings and Questioned Costs to be material weaknesses, Audit Findings 2025-001 and 2025-002.

### **Report on Internal Control over Financial Reporting (Continued)**

A significant deficiency is a deficiency, or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Findings and Questioned Costs to be a significant deficiency, Audit Finding 2025-003.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's basic financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the basic financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **District's Response to the Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on the District's responses to the findings identified in our engagement and described in the accompanying Schedule of Findings and Questioned Costs. The District's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the responses.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program  
and Report on Internal Control over Compliance in Accordance with  
the Uniform Guidance**

**Independent Auditor's Report**

To the School Board  
Minneapolis Public Schools  
Special District No. 1  
Minneapolis, Minnesota

**Report on Compliance for Each Major Federal Program**

**Opinion on Each Major Federal Program**

We have audited the District's compliance with the types of compliance requirements identified as subject to audit in the *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2025. The District's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the District complied in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

**Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the District's federal programs.

### **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

**Report on Internal Control over Compliance (Continued)**

Our consideration of internal control over compliance was for the limited purpose described in Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the basic financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the District, as of and for the year ended June 30, 2025, and the related notes to basic financial statements, which collectively comprise the District's basic financial statements. We issued our report thereon dated March 27, 2026, which contained unmodified opinions on those basic financial statements. Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**SECTION II - BASIC FINANCIAL STATEMENT FINDINGS**

**Audit Finding 2025-001 - Lack of Segregation of Duties**

*Criteria or Specific Requirement:*

Internal control that supports the District's ability to initiate, record, process and report financial data consistent with the assertions of management in the basic financial statements requires adequate segregation of accounting duties.

*Condition:*

We noted during review of the District's internal controls that there is a lack of segregation of duties over certain processes. A lack of segregation occurs when there is an individual who has responsibility to perform multiple functions in four key areas: initiation/authorization, processing/recording, reconciling/reporting of financial data, and custody of assets.

We noted lack of segregation of duties, to various degrees, in the following area:

- **Financial Closing and Bank Reconciliation Process:** Certain employees record transactions and reconcile balances at the end of the year without evidence of reconciliations being performed timely with review by another employee. There were also instances noted where there was no evidence of timely review or approval of bank reconciliations.
- **SAP User Rights:** A number of employees have excessive access to Accounts Payable functions, Purchasing functions, and the general ledger. Also, there were instances identified where individuals have excessive access to perform many responsibilities within a process (e.g. create a vendor, enter an invoice for payment, and cut a check). There are also some employees who have the ability to make journal entries without review as a result of SAP user rights allocated to them. We recommend that the District review all user roles and the permissions granted to each role for appropriateness, taking into consideration adequate segregation of duties. The District should also validate that adequate compensating controls are implemented to review and detect irregular or fraudulent activity performed by users with elevated permissions. Additionally, individuals in a position of authority should have limited transactional ability within the SAP application to further prevent management override controls.

*Context:*

This finding impacts the internal control for all significant accounting functions.

*Cause:*

*Process flows and SAP user access rights are not designed to provide for proper segregation of duties in each area. Turnover of finance staff contributed to reconciliations of certain account balances not being reviewed timely.*

*Effect or Potential Effect:*

The lack of adequate segregation of accounting duties adversely affected the District's ability to initiate, record, process, and report financial data consistent with the assertions of management in the basic financial statements. Financial information could contain inaccurate information if reconciliations are not reviewed timely.

Schedule of Findings and Questioned Costs  
in Accordance with the Uniform Guidance**

**SECTION II - BASIC FINANCIAL STATEMENT FINDINGS (CONTINUED)**

**Audit Finding 2025-001 - Lack of Segregation of Duties (Continued)**

*Recommendation:*

We recommend the District review process and procedures to identify further segregation of accounting duties or implement additional controls to mitigate the condition. We also recommend the District improve the accounts payable listing and reconciliation process to remove all old items.

*Views of the Responsible Officials and Planned Corrective Actions:*

**CORRECTIVE ACTION PLAN (CAP):**

1. Explanation of Disagreement with Audit Finding

There is no disagreement with the finding.

2. Actions Planned in Response to Finding

Financial Closing Process - The process for the financial closing and bank reconciliation process will improve after changes in roles and responsibilities in the Finance Department.

SAP User Rights - The Executive Director - IT has been working on system audits and some corrective action has already been implemented on user rights and we will keep monitoring the process.

3. Official Responsible for Ensuring CAP

The Chief Financial Officer is the official responsible for ensuring corrective action of the deficiency.

4. Planned Completion Date for CAP

The planned completion date for the CAP is June 30, 2026.

5. Plan to Monitor Completion of CAP

Schedule of Findings and Questioned Costs  
in Accordance with the Uniform Guidance**

**SECTION II - BASIC FINANCIAL STATEMENT FINDINGS (CONTINUED)**

**Audit Finding 2025-002 - Deficiency in Internal Control over Disbursements**

*Criteria or Specific Requirement:*

The District's procurement and payment policy requires that all disbursements for contracted services comply with the executed contract terms. Additionally, GAO's Standards for Internal Control in the Federal Government (Green Book) state that management should design control activities to ensure transactions are properly authorized and accurately recorded.

*Condition:*

For the fiscal year under audit, we noted instances of vendors that appeared to be paid more than the contracted amount. Payments were processed based on invoices that were prepared with different terms than the agreed-upon contract terms.

*Context:*

This finding impacts internal control over financial reporting.

*Cause:*

The overpayments occurred because the District does not have an effective review process to effectively reconcile complex invoices to contract terms prior to payment for certain activities. Contract terms also appeared to be unclear which contributed to misinterpretation of amounts due.

*Effect or Potential Effect:*

The deficiency resulted in overpayments, creating a risk of financial loss and noncompliance with procurement regulations.

*Recommendation:*

We recommend management:

1. Ensure contract terms are clear and that sufficient information is provided by vendors related to services performed to minimize misinterpretation of amounts due.
2. Implement a formal review process requiring reconciliation of invoices to contract terms before approving payment for all contracted services activities.
3. Ensure system-based controls are configured to flag discrepancies between invoice amounts and contract limits.
4. Provide training to staff responsible for invoice processing on contract compliance requirements.

**SECTION II - BASIC FINANCIAL STATEMENT FINDINGS (CONTINUED)**

**Audit Finding 2025-003 - Budget Reporting Process**

*Criteria or Specific Requirement:*

The District should use budgets within SAP to provide budget to actual reports in accordance with UFARS and GAAP and analyze variances on a regular basis.

*Condition:*

During our audit, we noted significant variances between budgeted amounts and actual amounts for expenditures by program and revenue classifications. Upon further investigation, amounts presented in the original budget and final budget did not appear to follow UFARS or GAAP reporting requirements due to the current budget practice resulting in adjustments to program codes that are inconsistent with actual activity in accordance with UFARS and GAAP.

*Context:*

This finding impacts internal control over financial reporting.

*Cause:*

Budgets were not allocated to correct classifications.

*Effect or Potential Effect:*

Budget to actual variances may be inaccurate.

*Recommendation:*

We recommend that the District improve its budget process and ensure UFARS and GAAP reporting requirements are followed and that budgets reported match what the Board approved.

*Views of the Responsible Officials and Planned Corrective Actions:*

**CORRECTIVE ACTION PLAN (CAP):**

1. Explanation of Disagreement with Audit Finding

During our audit for the year ended June 30, 2024, a prior period adjustment was required related to capital assets and material audit adjustments were identified to ensure accurate financial reporting for cash, receivables, state and federal revenues, debt related activity, and property taxes. We did not identify material misstatements during the audit for the year ended June 30, 2025.

**SECTION IV - FEDERAL AWARD PRIOR YEAR FINDINGS AND QUESTIONED COSTS**

There were no prior year findings or questioned costs.

## Minnesota Legal Compliance

### Independent Auditor's Report

To the School Board  
Minneapolis Public Schools  
Special District No. 1  
Minneapolis, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Minneapolis Public Schools, Minneapolis, Minnesota, as of and for the year ended June 30, 2025, and the related notes to basic financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated March 27, 2026.

In connection with our audit, we noted that the District failed to comply with the provisions of the uniform financial accounting and reporting standards for Minnesota school districts (UFARS) and contracting - bid laws of the *Minnesota Legal Compliance Audit Guide for School Districts* promulgated by the State Auditor pursuant to *Minnesota Statutes* § 6.65, insofar as they relate to accounting matters as described in the Schedule of Findings and Corrective Action Plans on Legal Compliance as items 2025-004 and 2025-005, respectfully. Also, in connection with our audit, nothing came to our attention that caused us to believe that the District failed to comply with the provisions of the depositories of public funds and public investments, conflicts of interest, public indebtedness, claims and disbursements, and miscellaneous provisions sections of the *Minnesota Legal Compliance Audit Guide for School Districts*, insofar as they relate to accounting matters. However, our audit as not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the District's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

The purpose of this report is to describe the scope of our testing of compliance and the result of that testing, and not to provide an opinion on compliance. Accordingly, this communication is not suitable for any other purpose.

**CURRENT YEAR LEGAL COMPLIANCE FINDING:**

**Audit Finding 2025-005 - Group Insurance Request for Proposals Noncompliance**

According to *Minnesota Statute 471.6161*, subdivision 2, every political subdivision authorized by law to purchase group insurance for its employees and providing or intending to provide group insurance coverage and benefits for 25 or more of its employees shall request proposals from and enter into contracts with entities reference in subdivision 1 that in the judgement of the political subdivision are best qualified to provide coverage. The request for proposals shall be in writing and at a minimum shall include: coverage to be provided, criteria for evaluation of proposals from entities referenced in subdivision 1, and the aggregate claims records for the appropriate period. A political subdivision may exclude from consideration proposals requiring self-insurance. Public notice of the request for proposals must be provided in a newspaper or trade journal at least 21 days before the final date for submitting proposals.

During our audit, we noted public notice of the request for proposals was not provided in a newspaper or trade journal at least 21 days before the final date for submitting proposals.

**PRIOR YEAR LEGAL COMPLIANCE FINDING:**

**Audit Finding 2024-004 - Prompt Payment of Local Government Bills**

*Minnesota Statute* § 471.425 requires that school districts must pay each vendor obligation according to the terms of the contract or, if no contract terms apply, within the standard payment period. For school districts with governing boards that have regular meetings at least once a month, the standard payment period is within 35 days of the date of receipt.

During our audit, we noted invoices in our sample selection were not paid within the standard payment period of 35 days.

*Views of the Responsible Officials:*

**CORRECTIVE ACTION TAKEN:**

During our audit for the year ended June 30, 2025, we noted no invoices in our sample selection that were not paid within the standard payment period of 35 days.
