☀️ **The Battle of the Grades Spirit Week begins TODAY!** If you are wearing a Onesie, be sure your first period teacher counts you twice because you get TWO points for your grade level. If you are wearing normal PJs, you get to add ONE point to your grade level count. Teachers, please be sure to fill out the form that Mrs. Wells sent to you this morning. It is the only way that grade levels can earn their spirit points for dressing up. Another way to earn spirit points is to come out to the lunchtime activity. You will be able to earn points for your grade level just by participating! Don't forget that tomorrow is **Teachers Dress Like Students and Students Dress Like Teachers**. We can't wait to see which teacher you choose to dress up like!

🏆 **Wiffler's Park lit up last Friday when the 8th Grade Champs, led by Mrs. Moreno, took on the All-Star Staff Team.** The 8th graders stunned the staff early behind the bats of Channing Ashe, Ethan Maxon, and Gavin Briant, who definitely ate their Wheaties that morning. Trying to claw their way out of a deficit, the staff came up to bat against a wall of 8th graders but were quickly shut down time after time. Hawk Moranda made several outs, including an epic one-handed catch, while Brock Stephens' double play at second base threatened to end the staff's hopes of a comeback. That's when Mr. Griffin had seen enough and lit up the field with a home run, causing Mr. Guzzi to follow suit. Mrs. Wells added a bomb of her own as the rest of the staff rallied behind them. Mrs. Moreno's diving catch late in the game wasn't enough to save her 8th graders from the staff comeback, and when the bell rang to end the game, the staff had claimed a 5-3 victory. Better luck in high school, 8th graders!
