Notes:

Please label your child's notebooks and folders with their name and homeroom. Place 10 clear sheet protectors inside your child's binder, and a few of each of the supplies listed in your child's pencil case/pouch. Any extra supplies can be kept at home and sent in on an "as needed" basis. Supplies may need to be replenished or replaced throughout the year. Students should avoid bringing in school supplies that resemble toys. These items tend to create a distraction for students and interrupt the learning environment.
