Highlights from the District

• KRMS uses MAP data to inform and guide instruction. MAP assessments are given 3 times per year. Teachers set goals using the assessment data. Professional development focuses on utilizing this tool
• Students complete a universal screener and a Wellness Counselor crafts small group counseling topics accordingly. KRMS has 6 sections of intervention math lab to support students.
• KRMS has a wide array of elective classes clubs and wellness activities for students to explore. The areas serve to expose students to opportunities that they will explore further at KRHS

Performance Summary

Level
School
State

The following section shows performance across a variety of measures. The box shows the 2024-25 performance for all students in the school. The bars below the box compare the school performance with statewide performance.

Proficiency on Statewide Assessments

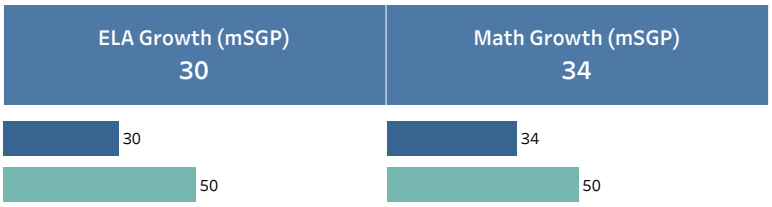

Proficiency rates measure the percentage of students who met or exceeded expectations on the statewide assessments (NJSLA and DLM).

More Info +

Student Growth

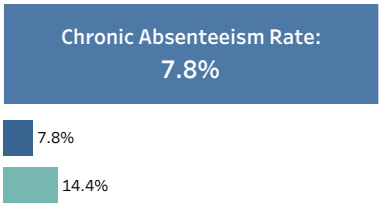

Student growth is measured by median student growth percentiles (mSGPs) in English Language Arts (ELA) and mathematics.

Chronic Absenteeism

Chronic absenteeism rates measure the percentage of K-12 students who were absent for 10% or more of the days they were enrolled during the school year.

Unlike other measures in this report, lower rates of chronic absenteeism rates are better.
