

#WeStillBelieve

Pitt County Schools offers a variety of ways for volunteers and donors to make a lasting impact on students' lives. By getting engaged, you can help shape the future leaders of our community and provide essential resources to those in need. Whether through mentoring, donating supplies, or sharing your professional experience, there's a role for everyone!

“How can we help?”

At PCS, we often receive the question, “How can we help?” from various community members. So, we’ve developed this guide to provide clear and consistent information throughout Pitt County Schools and our community.

We deeply value our partnerships within the community, and we believe that by working together, we can empower our students to reach their full potential and accomplish their goals.
