

Summer Reading Challenge

June–July, 2026

Calling all River Readers!
Let's keep reading this summer!

You're invited to complete the Challenge:
Read for 560 minutes over the summer.

That's just 10 minutes every day.

Keep track of your reading using the attached coloring page, or any other method you choose. Color a picture each time you read for 10 minutes.

Keep track of **EXTRA minutes** on a separate sheet of paper, because students who read **800** minutes or more will receive an extra prize!

At the end of the summer, turn in your complete page to the Library for an invitation to the Summer Reading Rewards Party!

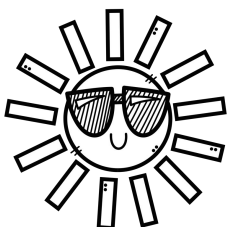

Reading logs are due by August 13, 2026.
