

Q&A from Counselor Meetings 2026

How many classes can a student be signed up for?

- Typically, a maximum of 2 classes and exams.
- Special cases: If a student is taking either PIG, Health or PE, then they could also have up to 2 Review classes (total of 3).

When registering a student, if a change/update is needed (such as new phone number, new address, different primary contact...). Who should be emailed?

Please email your site:

- summerschool_Pittsford@boces.monroe.edu
- summerschool_WI@boces.monroe.edu

If we are indicating 504 or IEP, will you have access to this on Frontline?

- No, you need to share it with us in Frontline.
- Indicating in SchoolTool that a student has an IEP/504 lets us know to watch for it to be shared. If it is not indicated in SchoolTool, we have no other way of knowing if a student needs accommodations.

Where is the Registration form located (for late registrations and students not found in SchoolTool)?

- On our Website in Counselor Page → Registration tab.

Are physical schedules/grades being mailed home?

- No, physical schedules and grades are not mailed home.
- Cooperative Summer School makes all information available through SchoolTool.
- Some districts have chosen to mail information to homes.

If a student is only enrolled in an exam, do they get a SchoolTool log in?

- Yes, all students and their primary parent get a SchoolTool log in generated when they are signed up for a class or exam.

Can the “Summer School” option in course selection be removed?

- Unfortunately not. Thankfully, the default option is Regular School Year so no changes should be needed in the course selection screen.

Are instructions available in multiple languages?

- No, however, many digital translation options are available, and our materials should be compatible.

Are the One-Pagers on the Parent website?

- Yes, they are on the Parent Page → Please Read These

Who is responsible for requesting interpreters for Regents exams?

- This is the district's responsibility.
- You need to send Regional Programs and Services a request for services.

Is food NOT provided at summer school?

- Correct, neither site will have food available (including vending machines)

**Is there a place to add notes for summer school staff to be aware of about a student?
(like needs first period, has medical alert for bee stings, always contact mom first...)?**

- Yes, under User Defined → Further Summer School Information → Comments box.
- Please add any important information that would be helpful during summer.
