

# SCIENCE programming 2026 - 2027

## CA SCIENCE EDUCATION CONFERENCE

**NOV 6 - 8, 2026,  
IN-PERSON, SACRAMENTO**

CAL-MSCS will host a strand in partnership with CASE to uplift ongoing work & learning from our 26-27 program offerings and resources.

## SCIENCE COMMUNITY OF PRACTICE

**MAY 4 - 5, 2027,  
IN-PERSON - MONTEREY**

Join science leaders across the state as we sustain an Inclusive System of Science Learning.

## SCIENCE PROGRAM INTEREST FORM

## RURAL SCIENCE EDUCATOR COMMUNITY

**HYBRID**

A network to convene rural and geographically isolated education leaders who provide science PL in their contexts.

## LEADERSHIP FOR INCLUSIVE LEARNING IN SCIENCE

**VIRTUAL**

A series to explore inclusive science learning in classrooms & systems, interrogate access barriers, and reimagine practices & structures for teacher leaders and site & district administrators.

## SCIENCE LEADERSHIP SERIES 2.0

**VIRTUAL**

A second year of the Science Leadership Series for a deeper dive with teacher leaders and site & district administrators from the 25-26 cohort.

## CA NGSS NOW

**HYBRID**

A two-day convening for new science PL providers to explore the foundations of NGSS, the CA Science Framework, and best practices for equitable professional learning.

## SCIENCE RESOURCES

### MORE TO COME IN 2026 - 2027!

- Science Equity Framework Matrix Vignettes: Introduction and Application
- Environmental Literacy and Climate Justice Resources
