

LEUSD SECONDARY SCHOOLS STUDENT HANDBOOK

ACADEMIC GRADING POLICY

The following grading system and accompanying guidelines, rules, and regulations have been developed to meet the needs of grading consistency throughout the school district and individual instructor freedom in assigning marks. Whenever it becomes evident to a teacher that a student is in danger of failing a course/grade level, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report.

• Meaning of Letter Grades (Grades 6-12):

- "A" (90-100%) grade indicates Outstanding student achievement 4.0 grade points.
- "B" (80-89%) grade indicates Above Average student achievement 3.0 grade points.
- "C" (70-79%) grade indicates Average student achievement 2.0 grade points.
- "D" (60-69%) grade indicates Below Average student achievement 1.0 grade points.
- "F" (0-59%) grade indicates Little or No achievement 0 grade points.
- "I" Incomplete 0 grade points.

▪ An "Incomplete" shall be given only when a student's work is not finished because of illness or other excused absence. If not made up within six weeks, the Incomplete shall become an F.

Because of the more rigorous nature of Advanced Placement, International Baccalaureate, Honors, and Concurrent Postsecondary courses, students receiving a grade of A, B, or C in those courses shall receive extra grade weighting as follows:

- A (90-100%) Outstanding Achievement 5.0 grade points
- B (80-89%) Average Achievement 4.0 grade points
- C (70-79%) Average Achievement 3.0 grade points

• Citizenship as Factors in Grading

Every effort should be made to distinguish between the academic and the citizenship grade. The citizenship grade should not be determined by the student's academic performance. Factors taken into consideration may include behavior towards staff and students, promptness to classes, and class participation.

Grades for citizenship, study skills, and effort shall be reported as follows:

- O = Outstanding
- S = Satisfactory
- N = Needs Improvement
- U = Unsatisfactory

• Weight of Examinations

No single course assignment or course project, including final examination shall be weighted at more than 25 percent of the semester grade.

• Providing Information to Parents/Guardians and Students

The classroom teacher must provide information to each student regarding the basis of grading in the class. No student will be given a failing semester grade unless the parents/guardians have been previously notified by the teacher through the progress report or deficiency notice.

Academic Honesty

- The Governing Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize or commit other acts of academic dishonesty.
- Students, parents/guardians, staff and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty. Students found to have committed an act of academic dishonesty shall be subject to district and school-site discipline rules.

ACTIVITIES AND ELIGIBILITY

Student participation in these events is considered a privilege. Not all students will be allowed to participate and those students who disregard the appropriate behavior policies may be excluded. Students may be excluded from activities for any of the following reasons:

- Outstanding school debts
- Poor citizenship grades
- Failing grades on last grade report
- Less than 2.0 GPA
- Excessive discipline
- Poor attendance
- Students who receive two (2) or more UNSATISFACTORY citizenship comments on their report card
- High school athletes are subject to the Athletic Code of Conduct

ATTENDANCE

Every absence from school must be cleared whether it is excused or unexcused. Absences must be cleared within 5 days. (AR 5113) The law defines an excused absence as illness, quarantine by health officials, medical appointment, dental appointment, optometry appointment, chiropractic appointment, mental health, court appearance for the child, or attendance at a funeral for an immediate family member. Absences must be cleared in one of the following three ways: a) Provide a written note signed by a parent/guardian explaining absence, b) Parent/guardian may call or email the attendance clerk, or c) respond to the absence notification via Parent Square.

CHRONIC ABSENCE and TRUANCY

- Chronic absentee means a student who is absent regardless of the reason for 10 percent or more of the school days in the school year (when the total number of days the student is absent is divided by the total number of days the student is enrolled).
- Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof.
- California Education Code allows that an attendance supervisor, a peace officer, a school administrator, or any probation officer may arrest or assume temporary custody of a minor if found away from home and absent from school without a valid excuse. At the third truancy in the same school year, the pupil will be classified as a habitual truant and the pupil is referred to and required to attend a SARB meeting. Upon the fourth truancy, the student may be referred to the jurisdiction of the juvenile court.
- ***AFTER SCHOOL- Only students who are enrolled in an after-school program or are attending a school sponsored event are allowed on campus after regular school hours.***

BICYCLES/SKATEBOARDS/SCOOTERS

Bicycle racks are provided on the school grounds, but students must provide their own locks. The bicycle rack area is OUT OF BOUNDS during school hours. Students must not loiter in the rack area before or after school. Bicycles, skateboards, scooters, etc., are not to be ridden on campus. Students must wear helmets, as required by law.

- **Electric Bikes and Electric Scooters**. If a student is not legally permitted to use an electric bike or electric scooter, they may not use it for transportation to/from school. It is a parent/guardian's responsibility to know and understand local ordinances and laws.

BUS REGULATIONS

Bus transportation is considered a privilege. Students riding school buses are expected to arrive at their stops ready for boarding 5 minutes prior to scheduled pick up and will observe all school and district safety rules on the bus and at the bus stop. Failure to comply with the rules and regulations for bus riders in the district shall be sufficient reason for a student to be denied transportation and subject to school discipline. A copy of the bus safety rules will be available for all riders. District buses may be fitted with cameras and, if so, are recording on a continuous basis while the buses are in operation. This is to ensure student and driver safety.

CELL PHONES & ALL ELECTRONIC DEVICES

Use of a cellular telephone or other mobile communications device during school hours:

- Such devices shall be turned off during school hours, except when being used for a valid instructional or other school-related purpose as determined by the teacher or other district employee, and at any other time directed by a district employee. Any device with a camera, video, or voice recording function shall not be used in any manner which infringes on the privacy rights of any other person.
- No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health and the use of which is limited to purposes related to the student's health. (Education Code 48901.5)
- When a student uses any prohibited device or uses a permitted device in any unethical or illegal activity, a district employee may confiscate the device. The employee shall store the item in a secure manner until an appropriate time.
- Students also may be subject to discipline, in accordance with law, Board policy, or administrative regulation, for any off campus conduct during non-school hours which poses a threat or danger to the safety of students, staff, or district property, or substantially disrupts school activities.

CLOSED CAMPUS

All Lake Elsinore Unified School District schools have a CLOSED CAMPUS policy. Students must remain at school once they arrive on campus in the morning until they are dismissed at the end of their last period. Students who leave campus without permission shall be classified as truant.

DETENTION OF STUDENTS

With parental notification, 24-hours beforehand, educators or administrators may require students to stay in their classrooms or the administrative office before or after school. These detentions serve various purposes such as completing assignments, catching up on missed work, addressing habitual tardiness, and managing disciplinary issues.

DISASTER/EMERGENCY

Following a natural disaster/emergency, all students will remain at school until they are checked out by the parent, guardian, or someone on their emergency card. Students are to follow the instructions of the adults on campus. An emergency check-out process will be followed, requiring all adults checking-out a student to have an ID and said adult must be listed on the student's emergency list. **LOOK TO PARENT SQUARE FOR DIRECTIONS.**

DISCIPLINE

Students who display inappropriate behavior may be subject to suspension or expulsion as outlined in the California State Education Code 48900 and 48915. 2. Registering Objections and Determining Alternative Projects - Any pupil with a moral objection to dissecting (or otherwise harming or destroying) animals, or any parts thereof, must notify his/her teacher. The teacher shall assign an alternative education project. They must ensure that it only requires "comparable time and effort investment by the pupil."

SEARCH AND SEIZURE

School officials may search individual students, their property, backpacks, and lockers when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the district/school. School officials have the right and ability to open and inspect any school locker, backpack, or vehicle without student permission when they have reasonable suspicion that the search will disclose evidence of illegal possessions and/or activity. Any prohibited/illegal items found with the student, contained in a locker, backpack, or vehicle shall be considered to be the property of the student whom the locker was assigned, who possessed the backpack, or who brought the vehicle to school, or activity. Parent/Guardian will be notified of all searches. The school district contracts with canine detection services to help keep our campuses safe.

SELLING FOOD/MERCHANDISE

The only individuals who will be allowed to sell anything on campus will be Food Services and school organizations that follow the process as outlined by the school ASB. There should be no selling of any items during regular school hours without prior approval. These items will be confiscated and may not be returned. In addition, the student may also face disciplinary consequences.

The Governing Board prohibits the unlawful sexual harassment of any student by any employee, student, or other person in or from the district. Any student who engages in the sexual harassment of anyone in or from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in sexual harassment will be subject to disciplinary action up to and including dismissal.

• STUDENT SEXUAL HARASSMENT POLICY

Lake Elsinore Unified is committed to making the schools free from sexual harassment. This means that the district prohibits harassment made by someone from or in the educational setting. Sexual harassment can be such actions as unwelcome sexual advances; requests for sexual favors; or verbal, visual, or physical conduct of a sexual nature made by someone from or in the educational setting. The district prohibits conduct that has the purpose or effect of having a negative impact on the student's academic performance, or of creating an intimidating, hostile, or offensive educational environment. The district further prohibits sexual harassment in which a student's grades, benefits, services, honors, program or activities are dependent on submission to such conduct. Board Policy 5145.7

No form of tobacco is allowed anywhere at school. Any student in possession of, or using, any form of tobacco and/or lighters or matches is subject to consequences, up to and including home suspension.

• VAPING DEVICES AND ELECTRONIC NICOTINE DELIVERY SYSTEM (ENDS)

The possession or use of any vaping device or Electronic Nicotine Delivery System (ENDS) or any other device intended to promote use of a vaporized smokeless behavior is prohibited just the same as any tobacco item or device. STUDENT I.D. CARDS

Students are to carry their school-issued I.D. card at all times while on school campuses or at school-sponsored events or activities. Student I.D. cards may be in the format of a physical or digital card.

SURVEILLANCE CAMERAS

In an on-going effort to improve the supervision of students on our campus and to provide a safe and secure campus, the school may use video cameras to monitor and supervise open/public areas of the campus. Signs posted on campus serve as a reminder that cameras may be used to supplement campus supervision.

TELEPHONES

School phones are used by teachers and staff members for school business. Students may use school phones only when provided with prior staff permission and when they are supervised by a teacher or other adult employee.

TEXTBOOKS AND EQUIPMENT

The school furnishes books and equipment for students. Loss of or damage to textbooks, library books, classroom books, school devices, or equipment will result in fines and/or holding of diplomas.

VISITORS & VISITOR MANAGEMENT SYSTEM

LEUSD utilizes a digital visitor management system which requires visitors entering any campus to scan their ID before entering. During regular school hours, visitors will be requested to present a form of identification (Driver's License, Military ID, State ID, or district-issued badge). The digital visitor management system will issue a temporary visitor badge for those without a volunteer A or B badge or employee badge. This badge is to be worn and made visible at all times.

Students should be friendly and courteous to all adults, including visitors who may be touring the school. Students are not allowed to bring relatives or friends, other than guardians, on campus for visitations during the school day. Any parent/adult visitor to our campus must report first to the front office to receive a visitor badge. Parents are encouraged to visit the campus. A 24-hour notice is required if a parent wishes to sit in on classroom instruction.

SOCIAL MEDIA

LEUSD schools maintain social media platforms to support student learning and to enhance communication between parents/guardians, staff, students and other community members. While we encourage comments and input on district social media platforms, comments that use offensive or vulgar language, share private information, advocate illegal acts, or violate Board policy will be removed. Responsible use of social media by students is expected.

Here are some important guidelines and information regarding the use of social media for students:

- **Making Threats:** Threatening a person or group of people in any situation is serious. Posting or forwarding an anonymous, empty threat will raise red flags that both school officials and law enforcement will investigate. Cyber threats can result in serious student discipline as well as action by law enforcement. If you see a threatening post, take a screenshot and report it to school administration or a law enforcement official immediately.
- **Cyberbullying:** Cyberbullying takes many forms and can harm others. This includes offensive text messages, emails, posting rumors slurs, and circulating embarrassing photos of a classmate online. Cyberbullying can result in serious disciplinary consequences. If you or someone you know is a victim of cyber bullying, please report it to school officials immediately.

Things to Remember:

- There is no such thing as true anonymity. Assume that everything you post is permanent. Even if you delete your account, others can easily print photos or text messages, images, etc.
- Be respectful of others. Don't spread rumors or publish confidential information.
- Think before you post. Offensive, racial or defamatory comments and personal insults may hurt others and disrupt the school learning environment.
- Know who is on your social media network. Be careful about accepting "random" friends
