May 22, 2026

Dear Wyoming Primary Families,

It is hard to believe that we only have three days left in the 2026-2027 school year! We had a wonderful time celebrating our 4th graders this week. Through rain and shine our families showed up to support our 4th graders and ensure that their day was special. Thank you to all who donated items and volunteered to help with the 4th grade picnic. We also want to thank those who supported the Caps for the Cure event last week. We raised a remarkable \$3798.08 for cancer research!

Preliminary OST results for 3rd and 4th grade have been received by the district. Individual student reports will be mailed to families the week of June 8th.

We are looking forward to Field Day on our last day of school next week! Please be sure to send your child prepared for the day's events.

To-Do List for Field Day, Thursday, May 28th:

- Pack a lunch with a drink (The cafeteria will be closed, so this is important!)
- Pack a beach towel to sit on.
- Pack a water bottle that can be refilled -Please put your child's name on the bottle.
- Put sunscreen on your child before they leave for school.
- Send your child to school dressed for the weather in their Field Day t-shirt and gym shoes. If you do not have a Field Day t-shirt your child can wear a t-shirt that matches their grade level's color (K Purple, 1st Green, 2nd Yellow/Gold, 3rd Red, 4th Royal Blue).
- **Remember that we dismiss one hour early.**

Here are details for each building's Field Day plan:

- [Elm's Field Day 2026](#)
- [Hilltop's Field Day 2026](#)
- [Vermont's Field Day 2026](#)

Medication Pick-up: As we near the end of the year, please pick up any medication that has been sent to school for your child prior. Medication must be picked up by a parent or guardian; no medication will be sent home with students. If unable to pick up medication by May 28, clinic staff will also be available on Friday, May 29 from 12:00 -3:00. Any medication remaining beyond this date will be properly discarded.

Planning Ahead for 2026-2027: We want to welcome every student with a strong, personalized start to the school year. This August, we are hosting [Smart Start](#). These one-on-one sessions between your child and their teacher are designed to:

- **Build Connections** by giving your child a comfortable, relaxed environment to connect with their new teacher.
- **Provide Current Data** by completing individually administered stress-free reading and math assessments that usually take six weeks to finish.
- **Personalize Learning:** With this information readily on hand, we can immediately place your child in the perfect reading and math groups and ensure that every child receives just the right amount of academic support and stretch from day one.

Keep an eye out for your class placement email on July 24, 2026. It will include a sign-up link where you can choose your student's Smart Start appointment time.

Additionally, we want to make your 2026-2027 school supply shopping easier by offering an opportunity to pre-order your child's school supply kit. By clicking the link below you can order exactly what your child needs in under 5 minutes while supporting a PSA fundraiser that allows money to go right back to our schools. Kits are delivered directly to the school making the process hassle-free!
