

LEGACY LIBRARY RENOVATIONS: KENDALL ELEMENTARY

BOND 2022

The legacy library at Kendall Elementary School was completely renovated to create a more open, collaborative, and innovative learning space for students and staff. Designed by Garza Architects, the updated library incorporates individualized campus colors while modernizing the learning environment for today's students.

The redesigned space includes flexible learning areas, new learning walls, updated circulation desks, librarian workspaces, workrooms, office space, and modern furnishings designed to support reading, collaboration, and student engagement. The project also included the addition of a new art room that enhances opportunities for hands-on learning, creativity, and visual arts instruction in a modernized classroom environment.

Construction Period: June 2024 - January 2025

Project Budget: \$2,263,000.00

Final Cost: \$2,163,273.38
