**Summer reading assignment: *And Then There Were None*, Agatha Christie**

This summer, you will read Agatha Christie's famous murder mystery, *And Then There Were None*.

As you read, keep track of plot details like character's motives, conflicts and major plot twists by annotating your book; use post-it notes, or write in the margins. I would suggest writing a one to two sentence summary at the beginning of each chapter as well to keep track of the sequence of events. It will help you solve the mystery!!

We will use your annotations in class discussions and assignments the first week of school, So, enjoy your summer reading, and we are looking forward to you arriving at Incarnate Word Academy in August.
