- Student Panel **12:10-12:45**
    - Facilitator-led panel. GAC and students introduce themselves.
    - **Discussion Questions:**
        - What CTE classes are you in, or have you taken, and what kinds of things do you get to do in class?
        - What's been your favorite project or activity so far? Why?
        - How is this class different from your other classes?
        - What's one skill you've learned in your CTE classes that you're proud of?
        - How have your CTE classes helped you figure out what you might want to do after high school?
        - If you could change or add something to your CTE program, what would it be?
        - Is there anything else you'd like to share about your CTE classes with the advisory board and school staff?

Follow Up Survey

- The survey will include the following questions:
    - What suggestions do you have for improving GAC or PSAC meetings?
    - Do you plan to continue serving on the council next year?
    - Are there any program areas that currently lack representation? Ideally, each program area should have at least one representative. These areas include: AFNR, Arts/Communications, Business and Marketing, Family and Consumer Sciences, Health Sciences, Information Technology, Skilled Trades and Manufacturing, STEM, and Government and Public Administration.
    - Do you have any recommendations for new members to join the council?
