End of the Year Housekeeping:

- ✓ **Teacher Requests:** While we understand and value your input, we are unable to accept specific teacher placement requests, as class rosters are thoughtfully created with many factors in mind to ensure balanced and supportive learning environments for all students.
- ✓ **All library books are due June 10th.**
- ✓ **All student devices and charging cords must be returned by June 25th.**

Personal Safety Instruction:

Dear Parents and Guardians,

As part of our ongoing commitment to the safety and well-being of our students, we are writing to inform you that, in the coming weeks, your child in grades K-4 will participate in lessons designed to empower children with knowledge about personal safety.

[Erin's Law](#), officially enacted in New York State in 2019, requires public schools to provide appropriate age instruction on personal safety. The curriculum is carefully developed to be sensitive, supportive, and aligned with developmental stages, ensuring that discussions are conducted in a safe and nurturing environment by trained educators. Research shows that such education can significantly increase student empowerment by helping children speak up early and seek support.

During these lessons, students will learn key concepts such as:

- ✧ Understanding personal boundaries and body safety.
- ✧ Recognizing the difference between safe and unsafe touches or secrets.
- ✧ Identifying trusted adults they can turn to for help.
- ✧ Basic strategies for saying "no" and seeking assistance if they feel uncomfortable.

Thank you for partnering with us to create a safer environment for all our students. Your involvement is invaluable in supporting your child's education and well-being.

Warmer Weather is here! Dress Code Reminder:

- ★ Clothing must cover undergarments and the student's chest, midsection, and bottom.
- ★ Clothing and footwear must be suitable for the students scheduled classroom activities including physical education and outdoor recess. **Footwear must have an ankle strap** – no flip flops please. Sneakers must be worn for Physical Education classes.
- ★ Clothing's coverage of the body parts/undergarments noted above is based on their ability to do so during normal movements that are part of the school day (i.e.: walking, reaching, sitting, participating in physical education activities, etc.), not just standing still.

Thank you for your support and partnership this school year.

Have a happy and safe summer!

See you on September 8, 2026.
