**PLEASE NOTE:** Graduation from high school is a milestone for the students and their families. The dignity of the occasion should be observed by refraining from whistling, yelling or applauding for any student. Your congratulations can best be shown by applauding for all students after the last graduate has been awarded a diploma. When taking pictures, please keep the aisles open and the front of the stage clear so that the events that have been planned for this occasion can proceed as scheduled.

*Adonia Kolawole*  
**Valedictorian**

Adonia Kolawole is the son Charles and Juliana Kolawole. He is a highly driven student who has successfully combined an academic schedule with community leadership. He completed ten Advanced Placement courses and five dual enrollment classes while earning a NOCTI Certification in Computer Programming. His leadership extended from the Student Council and SkillsUSA to serving as a Junior Ambassador and a Youth Community Grants Panelist for the CSRA. A Georgia Tech Dean's Scholarship Semi-Finalist and UGA Certificate of Merit recipient, Adonia is most proud of his ability to excel academically while maintaining financial independence through her own hard work. This fall, Adonia will attend the Georgia Institute of Technology to major in Information Systems.

*Rhali Adams-Johnson*  
**Salutatorian**

Rhali Adams-Johnson is the daughter of Jamond and Brittany Johnson. She is an ambitious student who has completed a track of Dual Enrollment and Advanced Placement courses, earning her NOCTI CTAE certification and the Georgia Certificate of Merit. Rhali held numerous leadership positions, serving as Captain of the Reading Bowl, Math, and Science Olympiad teams, SkillsUSA President, while also participating in Soccer, Orchestra, and Student Council. Recognized as the STAR Student, she counts her acceptance into a prestigious work-study program with the NSA as a defining highlight and is most proud of achieving the second-highest academic rank in her class. Rhali plans to major in Computer Science at a four-year university, with sights set on institutions like Georgia Tech or MIT.

**ALMA MATER**

We are the hopes of tomorrow.  
We are the dreams of today.  
We are the students of Johnson.  
We are leaders of the way.  
Along life's road we'll travel,  
First together and then alone,  
But never shall we forget the days  
When we started out as one.

Purple and White, Royal and Pure,  
To you dear Johnson  
We shall always be true.

We'll remember Johnson to the end,  
The times we shared, the plans we made;  
The laughter, the joy, and the tears  
Our gain, our loss, our fears.  
An institution of learning  
An institution of care  
An institution of love  
That taught us all to share.

Purple and White, Royal and Pure,  
To you dear Johnson  
We shall always be true.
