

2026-2027 4th Grade CSP Supply List

Dear Parents,

Below is a list of supplies your child will need for the upcoming school year. Please ensure all items are purchased prior to the first day of instruction. Supplies may need to be replenished periodically throughout the year as needed. Students should bring their supplies to and from school each day in a backpack, as classroom desks are shared by approximately eighty students throughout the week and supplies cannot be stored at school. We encourage labeling all supplies with your child's name to help prevent loss or mix-ups.

Please label the following with your child's name. (These should be brought on the first day of school):

- ☐ Backpack with pocket for water bottle (*large enough to hold all supplies – think two binders, plus books*)
- ☐ Water bottle with secure lid
