

Dear Parents,

This is a list of supplies your child will need for the school year. These items should be purchased before the first day of instruction and may need to be replenished throughout the school year on an as-needed basis. Please have your student bring his or her supplies to and from school each day in a backpack or tote. Many different students will use the same desks throughout the week, so supplies cannot be left at school. Please write your child's name on all supplies, except those listed as a shared item.

Thank you very much!

Mrs. Boaz
