

Wrestling Room Mat Replacement Project

McCreary County School District

1. Introduction

The McCreary County School District is requesting proposals from qualified vendors for the purchase and installation of new wrestling room mats. The project includes replacing existing floor mats and installing new wall padding/mats within the wrestling facility.

The district is seeking durable, high-quality materials designed for athletic and wrestling use that will improve safety, functionality, and the overall appearance of the facility.

2. Scope of Work

The selected vendor will provide all materials, equipment, necessary to complete the project, including:

- Installation of new wrestling floor mats
- Installation of new wall mats/wall padding surrounding the wrestling room

Materials should be commercial-grade and designed specifically for athletic/wrestling environments with a focus on durability, safety, and ease of maintenance.

3. Project Goals

The district's goal is to modernize and improve the wrestling facility by providing student-athletes with a safer and more professional training environment.
