Who are we?

The Commerce Food Pantry is a partner agency of the North Texas Food Bank that provides donated and purchased foods and personal care items to those in need on Thursdays from 2 to 4 p.m. at the First Presbyterian Church located at 1216 Monroe Street. It is governed by a board of directors, staffed by volunteers, and funded through the generosity of our community.

Whom and how often do we serve?

The Commerce Food Pantry serves ~175 households per month. These individuals and families reside in the communities of the following zip codes:

- 75428-29 (Commerce and Fairlie)
- 75422 (Campbell)
- 75448 (Klondike)
- 75449 (Ladonia)
- 75469 (Pecan Gap)

Neighbors residing within the service area may receive food assistance once per calendar month during pantry hours on Thursdays from 2 to 4 p.m. The Pantry provides curbside service, allowing neighbors to remain in their vehicles.

What do we provide?

The Pantry provides dry and canned foods, frozen meats, bread, and fresh produce as available. In addition, we offer personal care and household essential items through a grant from the Hunt Regional Hospital District and community donations.

How can one receive food assistance?

Persons are requested to bring picture ID and proof of address in the Commerce Food Pantry service area (utility bill, rent receipt, etc.) during operating hours on Thursdays from 2 to 4 p.m. Each household is required to complete the Household Application for USDA Foods per North Texas Food Bank policy.

Does the Commerce Food Pantry deliver?

We do not deliver; however, Hunt County residents may arrange free transportation to and from the Pantry by calling The Connection, Hunt County's public transit, at 903.454.1444. Ride reservations must be made at least one day in advance. During the application process, an applicant may assign another person as their "proxy" who can pick up food on their behalf.
