Be Safe, Be Happy & Learn A Lot!

JUNE NEWSLETTER 2026

SUMMER READING CHALLENGE

Our SIT Committee (School Improvement Committee), comprised of our Assistant Principal, Ms. Cucinello, teachers and parents, have created a reading choice board for the summer. On Monday, June 15th, folders with the reading materials will be sent home with your kindergarten and first grade children. We will be holding our eighth Annual Reading Celebration. In the fall, students who participate will take part in a celebration with their friends and receive a certificate of achievement for their hard work! Please have your child join us in reading this summer by returning the participation slip by June 18, 2026

INTERVENTION SERVICES

Please note that at the end of the school year, all students are removed from Multi Tiered Support Services (MTSS). New services will begin in the fall based on your child's fall assessments, grade level interventions and past performance. You will receive a new letter in the fall if your child qualifies for services.

LOST AND FOUND

If you come to school for any June events, please check the overflowing lost and found. After school ends, all items not picked up will be donated.

GRADE LEVEL CELEBRATIONS

Each grade level will have their own end of year event this month. Please be sure to read all emails sent from the school and directly from your child's teacher to help your child enjoy these wonderful days. All information can be found in the flyers section of the AMPS website.

SENIOR WALK THROUGH

Our High School Seniors will parade along the lower campus as they say goodbye to the teachers and schools that have helped shape them. Here at AMPS, we look forward to waving our seniors into their bright futures!

YEARBOOKS

We still have a few yearbooks for sale! You can order one on the [MySchoolBucks](https://www.myschoolbucks.com) website. Yearbooks are \$18.50.

SUPPLY LISTS

[Supply Lists](#) for the 2026-2027 School Year are now online.

This month's Character Education Theme is Resilience!
