

JSM SIC ZOOM meeting 5/20/2026 4:30pm

Attendees: Beth Dillenkoffer, Anna Claire Day, Amy Conroy, Adrienne Jones, Amanda Bagdonas, Todd Jenkins, Ginger Liner, Clara Bailey, Kimberly Gleason, Shannon Wischusen, Morgan Tomasello

Anna starts with thanking everyone who has been involved with SIC this year and a review of some of the topics covered throughout the course of the year including:

- increasing math scores (emailed out math games to do at home in Ms. Beth's email, thanks to Ms. Shannon)
- chronic absenteeism vs truancy (Dubunking series one-pager created)
- play based childhood for children (could continue to offer ideas to do at home)

Miss Beth acknowledges and thanks Anna Day for her contributions.

Anna goes over the requirements for SIC committee memberships:

- 2-3 parent representatives (elected) (Todd Jenkins current)
- 2 community representatives (appointed) (Julia Brandel current, Ms. Beth to follow up with her)
- 2 teacher representatives (elected) (Ms. Konekeo current)
- must have twice as many elected vs appointed members

Ms. Beth mentioned that she has asked Dylan at Kids on Point to be a community member for SIC.

Anna mentioned that we already have two parents on the ballot (Ginger Liner and Amanda Bagdonas, thank you!) and Ms. Rosie as a teacher. She encouraged those on the call to either run as a rep or think of someone that would want to.

Ballot and voting for SIC committee membership will take place at Back To School Night later this summer: Friday August 7th from 4-6pm. Ms. Beth will also send out an electronic ballot for those that can't make the Back to School Night.

There will need to be an SIC table set up and run on Back to School Night. Anna offered to share what she made last year for the table. There will need to be a printed ballot.

Anna makes note of meeting participants and notes SIC still needs one teacher representative, one appointed community member and 1-2 parent representatives.

Short discussion of parent survey results and perhaps how to make SIC meetings more accessible by moving the day or time for next year. All SIC resources that Anna has will be shared with the incoming SIC members.
