Visalia Unified School District does not carry medical or dental insurance for students injured on school premises, while under school jurisdiction, or while participating in school district activities. For these reasons, the school district has arranged a student accident insurance program for your review and consideration. This insurance program is optional and complies with California Education Code, which permits distribution of necessary information from the company providing the coverage.

The following types of student accident insurance plans are available:

Low Option	
School Time Accident	$14.00
24 Hour Accident	$82.00
Football Accident	$85.00
24 Hour Dental Accident	$8.00
Medium Option	
School Time Accident	$28.00
24 Hour Accident	$105.00
Football Accident	$115.00
24 Hour Dental Accident	$8.00
High Option	
School Time Accident	$43.00
24 Hour Accident	$210.00
Football Accident	$215.00
24 Hour Dental Accident	$8.00

While participation in these insurance plans is voluntary, we urge you to consider the benefits. Approved claims will be paid on a primary basis for all school-time and 24-hour injuries, except for tackle football, which will be paid on an excess basis. Although you may already have medical insurance for your family, purchase of this additional coverage could assist you by paying deductibles and balances left after your primary carrier has paid.
