

IXL MATH: Summer Assignments for Incoming Second Grade Students
Summer of 2026 due Friday, September 4th

MATH: Incoming Second Grade

Go to the section for **FIRST GRADE**. Students entering second grade in September are required to practice math skills during the summer using the IXL website. Please note that usage is tracked automatically by the IXL website. Teachers will use this information when assessing summer assignments. Students must complete 15 skills to 80% or 6 hours of practice. Please choose at least 1 skill from each category.
