*S.C. Code of Laws 59-1-425 requires that all school districts designate at least three days as make-up days. Lexington One designates Oct. 12, 2027, and Feb. 22 and March 21, 2028 for these days. If they are not needed for additional instruction, they will become student and staff holidays. Additionally, Lexington One has been approved by the S.C. Department of Education to utilize up to five eLearning days for interruptions to normal school operations such as inclement weather or utility outages. To help employees and families plan ahead, the district has developed the following plan for utilizing in-person make up days and eLearning days.

First Semester Make-up Plan

- If the first missed school day occurs before Oct. 12, 2027, school will be canceled for that day, and an in-person make-up day will be held on Tuesday, Oct. 12 (designated as the first weather make-up day on the academic calendar).
- For any additional missed days in first semester, the district will implement eLearning on the missed day if conditions allow for virtual instruction.
- If eLearning is not possible, the district will use the designated weather make-up days:
 - Feb. 22, 2028 (second weather make-up day)
 - March 21, 2028 (third weather make-up day)

Second Semester Make-up Plan

- If missed school days occur before the designated make-up days, school will be canceled and an in-person make-up day will be announced (same as first semester plan).
- If no additional in-person make-up days remain, the district will implement eLearning days if conditions allow for virtual instruction. The district may use up to five eLearning days throughout the school year, as permitted by state regulations and if conditions allow.
