3.0 New Items (Action required)

- Graduation: Last Friday, we held our 2026 graduation. Every one of our students graduated except for four (183 / 187). Two of the four will do summer school. We are confident they will graduate. One student chose to return next year, and another transferred to adult education.
- Summer School. Starting today we are running summer school up through June 18. All of the classes were running on campus our credit retrieval. If a student wants to get ahead, we connect them with NVA and they are able to take online classes for original credit. We have over 200 students enrolled in these programs.
