

WELCOME TO
The 38TH COMMENCEMENT CEREMONY of
**FORT HAYES ARTS *and* ACADEMIC
HIGH SCHOOL**

CLASS *of*
TWO-THOUSAND TWENTY-SIX

We are delighted to welcome you to the Fort Hayes Commencement, the formal ceremony honoring years of sacrifice, dedication, and preparation by our students and their families. The graduation ceremony represents a tremendous rite of passage. Therefore, we invite you to embrace the Fort Hayes Expectations of Excellence to ensure a respectful and memorable experience for all attendees.

We offer the following guidelines for audience behavior. Thank you for your willingness to contribute to the success of the ceremony.

- Doors will temporarily close when the ceremony begins at 8:30 PM and will remain closed until after the graduates finish their procession. Once graduates are fully seated, the doors will reopen.
- Please silence or power-off all phones, smart watches, tablets, etc. to decrease the risk of interruptions and distractions during the ceremony.
- Please make sure that when you show pride in your graduate, you aren't drowning out the recognition of another, especially during all speeches and the Presentation of Diplomas.

This includes but is not limited to: excessive talking, yelling, and/or stomping during the ceremony. The use of air horns, cowbells, whistles and all other noisemakers, beach balls, or other distracting objects is **strictly prohibited**.

- Young children develop audience habits early. Please help them to understand the expectation for quiet and respectful listening during the ceremony.
- We understand that young children can sometimes become restless. If your child becomes fussy or disruptive, please step outside the venue momentarily to avoid disturbing the ceremony.
- To demonstrate respect for the graduates, their families, and the efforts of all those involved in organizing this event, it is important to remain seated for the entirety of the ceremony. Please do not step into the aisles while graduates are entering/exiting. Please do not exit until the ceremony concludes and the graduates have exited.
- Please refrain from taking pictures until after your graduate receives their diploma. This allows the ceremony to flow smoothly and reduces distractions for other audience members.

We deeply appreciate your attendance at our graduation ceremony. Please help everyone enjoy this momentous occasion by respectfully adhering to these guidelines. We encourage you to revel in the achievements of our graduates and join us in celebrating their success. Thank you, and enjoy the ceremony.

The mission of Fort Hayes is to create expectations of excellence within students through challenging and collaborative learning by blending the arts, academic and career programs.
