## Vision

Stanton Middle School prepares all students for college and careers by providing a standards-based education in a safe, nurturing and inclusive community with a focus on individual growth. We empower all students to excel academically, socially, and emotionally while inspiring them to be leaders and lifelong learners.

## Mission

Stanton Middle School offers an environment that nurtures the academic growth of young adolescents by addressing their intellectual, physical, social, and emotional development.

## History/Growth/Admissions

Stanton first opened its doors at Stanton Junior High School in 1959. Over time, the people in the halls and the teachers in the classrooms have changed - but the mission remained the same. Dedicated staff operating as a family, providing outstanding education to the students in the Stanton/Newport area.

## What We Believe

We believe that education will change your life. It will change your family's lives. It will change your children's and their children's lives. It changes everything. There is nothing more important than gaining your education.
