Introduction

Skyline Early College High School (ECHS) has partnered with Dallas College to allow students the opportunity to earn a high school diploma and up to 60 college credit hours at no cost to the student or his/her family. In order to measure readiness for college coursework, Dallas College will assess students using the Texas Success Initiative Assessment for English Reading/Writing and Math known as TSIA.

The Summer Bridge program prepares students for the College Entrance exams known as TSIA (Texas Success Initiative Assessment). Skyline Early College offers an intensive mandatory 8-Day program for our incoming freshmen. This program is designed to provide students with a jump-start to their college experience. It provides our incoming freshmen with instruction in Reading and Writing, Math Concepts, together with Technology and Study Skills taught by our faculty. Students will have the opportunity to engage with faculty, staff, and other students in preparation for college courses.

Not all students admitted to Skyline Early College will be college-ready in all aspects as deemed by the TSIA. However, we are confident that, with this Summer Bridge program along with the available extra support, most of our students can begin to become TSIA met and prepared to begin their college studies by this coming Fall 2026. In addition, our Summer Bridge program will provide our new freshmen students with college readiness skills such as time management and familiarity with Dallas College Learning Platforms eCampus (Brightspace) and eConnect.

Dallas College will use the following minimum passing standards to determine a student's readiness to enroll in College-level academic coursework that has it as a prerequisite.

Assessment	ELAR College Ready Scores	Math College Ready Scores
TSIA 2	CRC 945-990 and Essay 5-8 Or CRC 910-944 and Diagnostic Level 5-6 and Essay 5-8	CRC 950-990 Or CRC 910-949 and Diagnostic Level 6

Student Eligibility Requirements for Dual Credit:

Students must complete a pre-assessment activity and practice-test prior to taking the official Texas Success Initiative Assessment (TSIA) to be eligible for enrollment in a dual credit course offered by a public college. Additionally, students must meet all the college's regular prerequisite requirements designated for that course (e.g., minimum score on a specified test, minimum grade in a specified previous course, etc.). The pre-assessment activities will be conducted during Summer Bridge.

Discipline:

Students are to follow the rules outlined in the Dallas ISD Student Code of Conduct Handbook. Persistent infractions will be referred to the Early College Administrator Ms. Johnson. If a student receives a referral or reprimand for discipline, he/she will be withdrawn. ***THERE WILL BE ZERO TOLERANCE FOR MISBEHAVIOR*** in our classrooms and at all summer programs.

STUDENT DRESS CODE:

The Early College Administration has the authority to determine the appropriateness of dress. The final decision with regards to dress code rests with the Campus Principal as does the corrective action. Students who come to school in violation of the district and/or campus dress code will have the option of correcting the violation or being sent home for the day and receive an absence.
